Looking for a rich and classic poem for your students to analyze while learning remotely, during the national month of poetry or for no other reason but to make them think deeply? Apostrophe in "Ode in a Greek urn" of Keats, the works of the romantic poets of the 19th century, who were immersed in Greek poetry and myths, are also full of apostrophe. The reason is that the apostrophe is not only addressed to a silent or absent entity - it must address a specific entity. In "Ode on a Grecian Urn", Keats speaks with a beautiful ancient vase, approaching him as a bride, a child and a historian, and also as a kind of muse, which, if you could speak, would write more eloquently than Keats himself: you still do not record the bride of stillness, you adopt-son of silence and slow time, the historian of Sylvan, who can thus express a flowering tale more sweetly than our apostrophe rhyme of Woolf. The Waves, the modernist writer Virginia Woolf, who wrote in the early 20th century, she also regularly used the apostrophe as part of the "flux of consciousness" she used to create for her characters. Authorial intrusion vs. the device creates an increased emotional atmosphere in a literary work, usually forming a peak in a given scene. In "I'm Loving You", by Puffy, here's rapper Sean Combs, known as Puffy, in "I'm going to miss you", an elegia for friend Biggie Smalls: I saw your son today, he just seems like you, you were the best, you will always be the best I miss you B.I.G I can't wait until that day, when I see his face again apostrophe in Robert Burns' "The Banks O' Doon" in an old Scottish folk song whose lyrics were composed by Robert Burns, the speaker addresses a river called Doon: Ye Banks and Braes The Bonnie Doon How you can flourish as fresh and fair as you can sing birds And I get tired fu 'The' Care Handid "Princess Read" by Blink 182 here the band Punk flashes 182 sings for a girl, who seems to be of a fantasy girl than a real person, and whom they call Princess Leia: Princess Leia, where are you tonight? An elegia, a poem written to commemorate a person who died, sometimes addresses this person directly, or laments death to other people, nature or God. Examples of apostrophe Examples of Aftertrophy in the literature Apotrofos are found throughout the literature: it appears in poetry, prose and drama and in all times of ancient Greek epic poetry in modern times. In doing so, the speaker or writer will often convey to the human characteristics of the object. An apostrophe is often introduced by the exclamation "O", as when Juliet screams, "O Romeo, Romeo, why are you Romeo?" The apostrophe appears more often in poetry and pieces, although it may also appear in the prose literature. Welcome, O life! I will find for the millionth time that the reality of experience and forge on the Smithy of My Soul the uncreated consciousness of my race. Here, in the waves of Woolf, a character, Rhoda, cries angry of "human beings": what dissolution of the soul you demanded to spend for a day, what lies, arqueiras, raspagens, fluency and servitude! As you chained me in a place, an hour, a chair and sat in front! Examples of apostrophe in song lyrics Many different genres of music make use of apostrophe, because it creates a direct emotional attachment between the singer and the subject. Sometimes this address involves the word "you" or the most formal "you". Other times, the "You" is not included, as when the narrator of Herman Melville's story, Bartleby, the Scrivener ends his story with the apostrophe despaired: "Ah, Bartleby! Ah, humanity!" apostrophe pronunciation See how to pronounce apostrophe: apostrophe and apostrophe of personification UH-POS-TRUC Usually involves the speaker or writer who addresses an inanimate object or an idea The beauty of this purchase is I have made it easy to print the feature or present the slides and go - saving a valuable planning time!
